PUT OUR YOUTH TO WORK AT NO COST TO YOU

▶ BACKGROUND

The **STEADY Work Program** provides participants aged 14–24 with the soft skills necessary to enter the workforce and the opportunity to experience employment in a low-stress setting.

⚙️ PROCESS

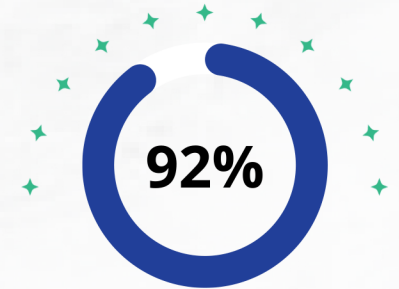

The STEADY Work Program is built on a **person-centered planning process** that identifies a participant's **unique strengths, vocational interests, and personal and professional goals**.

Youth initially begin the program with employment in a structured, program-based work environment to evaluate their skills and to develop relationships with co-workers and staff.

🎯 GOALS

Through **collaboration with area business partners**, students work hands-on to solve problems, develop communication skills, and receive career training **preparing them for future employment**.
